ARMADA  
ÇiNi

[www.armadacini.com](http://www.armadacini.com)

**Armada Çini ve Seramik, yerelden evrensel, geçmişten geleceğe uzanan bir yolda ilerlerken, geleneksel çini sanatımızı modern bir şekilde yorumlamak, ürünlerini, kendine özgü yüksek pişirim, astar tekniği ile çininin yüzeyinde resimsel bir dekorlama tarzı ile yalın bir anlatımla sunmak amacındadır. Bir başka deyişle geleneksel çini sanatımızı modern bir şekilde yorumlayarak yaşadığımız evden çalıştığımız iş yerine kadar pek çok mekanı sanatsal öneme sahip milli değerlerimizle buluşturmak amacındadır.**

**Armada Çini ve Seramik'te ürün kalitesinin temel taşları arasında, renk ve desenlerin algılanabilmesi, yüzeyde kusur olmaması, uygulandığı mekanda performansını uzun süre devam ettirebilmesi, çok kolay temizlenebilir olması, ve kir tutmaması, estetik anlamda kusursuz olması, neşeli ve enerjik mekanlar yaratması gibi unsurlar yer alır.**

**Armada'nın sanatsal macerası, farklı beğenilere seslenebilecek, geçmişten gelen kültürümüzü yaşatacak ve gelecekteki nesillere her biri antika değerinde eserler olarak kalacak olan ürün çeşitliliğine ulaşana kadar sürer. Bu sebeple Armada Çini ve Seramik Koleksiyonu kullanıcılar tarafından beğenilmektedir.**
